

Department of Veterans Affairs

§ 1.913

notified in writing of the matters described in § 1.911(c) and (d) and paragraph (c) of this section.

(c) *Deferral of offset.* (1) If the debtor, within thirty days of the date of the notification required by paragraph (b) of this section, disputes, in writing, the existence or amount of the debt in accordance with § 1.911(c)(1), offset shall not commence until the dispute is reviewed as provided in § 1.911(c)(1) and unless the resolution is adverse to the debtor.

(2) If the debtor, within thirty days of the date of notification required by paragraph (b) of this section, requests, in writing, waiver of collection in accordance with § 1.963 or § 1.964, as applicable, offset shall not commence until the Department of Veterans Affairs has made an initial decision on waiver.

(3) If the debtor, within thirty days of the notification required by paragraph (b) of this section, requests, in writing, a hearing on the waiver request, no decision shall be made on the waiver request until after the hearing has been held.

(4) VA will pursue collection action once an adverse initial decision is reached on the debtor's request for waiver and/or the debtor's informal dispute (as described in § 1.911(c)(1)) concerning the existence or amount of the debt, even if the debtor subsequently pursues appellate relief in accordance with parts 19 and 20 of this title.

(d) *Exceptions.* Offset may commence prior to the resolution of a dispute or a decision on a waiver request if collection of the debt would be jeopardized by deferral of offset. In such case, notification pursuant to § 1.911(d) shall be made at the time offset begins or as soon thereafter as possible.

(e) *Offset of military service debts.* (1) In accordance with 38 U.S.C. 5301(c), VA shall collect by offset from any current or future compensation or pension benefits payable to a veteran under laws administered by VA, the uncollected portion of the amount of any indebtedness associated with the veteran's participation in a plan prescribed in subchapter I or II of 10 U.S.C. chapter 73.

(2) Offsets of a veteran's compensation or pension benefit payments to recoup indebtedness to the military services as described in paragraph (e)(1) of this section shall only be made by VA when the military service owed the debt has:

(i) Determined the amount of the indebtedness of the veteran;

(ii) Certified to VA that due process in accordance with the procedures prescribed in 31 U.S.C. 3716 have been provided to the veteran; and

(iii) Requested collection of the total debt amount due.

(3) Offset from any compensation or pension benefits under the authority of 38 U.S.C. 5301(c) shall not exceed 15% of the net monthly compensation or pension benefit payment. The net monthly compensation or pension benefit payment is defined as the authorized monthly compensation or pension benefit payment less all current deductions.

§ 1.913 Liquidation of collateral.

(a) VA should liquidate security or collateral through the exercise of a power of sale in the security instrument or a nonjudicial foreclosure, and apply the proceeds to the applicable debt, if the debtor fails to pay the debt within 180 days after demand and if such action is in the best interest of the United States. Collection from other sources, including liquidation of security or collateral, is not a prerequisite to requiring payment by a surety, insurer, or guarantor, unless such action is expressly required by statute or contract.

(b) When VA learns that a bankruptcy petition has been filed with respect to a debtor, VA should seek legal advice from VA's General Counsel or Regional Counsel concerning the impact of the Bankruptcy Code, including, but not limited to, 11 U.S.C. 362, to determine the applicability of the automatic stay and the procedures for obtaining relief from such stay prior to

§ 1.914 Collection in installments.

(a) Whenever feasible, VA shall collect the total amount of a debt in one lump sum. If a debtor is financially unable to pay a debt in one lump sum, VA may accept payment in regular installments. VA should obtain financial statements from debtors who represent that they are unable to pay in one lump sum and independently verify such representations whenever possible. If VA agrees to accept payments in regular installments, VA should obtain a legally enforceable written agreement from the debtor that specifies all of the terms of the arrangement and contains a provision accelerating the debt in the event of default.

(b) The size and frequency of installment payments should bear a reasonable relation to the size of the debt and the debtor's ability to pay. If possible, the installment payments should be sufficient in size and frequency to liquidate the debt in 3 years or less.

(c) Security for deferred payments should be obtained in appropriate cases. However, VA may accept installment payments if the debtor refuses to execute a written agreement or to give security.

§ 1.915 Interest, administrative costs, and penalties.

(a) Except as otherwise provided by statute, contract, or other regulation to the contrary, and subject to 38 U.S.C. 3485(e) and 5302, VA shall assess:

(1) Interest on all indebtedness to the United States arising out of participation in a VA benefit, medical care, or home loan program under authority of Title 38, U.S. Code.

(2) Interest and administrative costs of collection on such debts described in paragraph (a)(1) of this section where repayment has become delinquent (as defined in 31 CFR 900.2(b)), and

(3) Interest, administrative costs, and penalties in accordance with 31 CFR 901.9 on all debts other than those de-

scribed in paragraph (a)(1) of this section.

(b) Every party entering into an agreement with the Department of Veterans Affairs for repayment of indebtedness in installments shall be advised of the interest charges to be added to the debt. All debtors being provided notice of indebtedness, including those entering into repayment agreements, shall be advised that upon the debt becoming delinquent, or in the case of repayment of already delinquent debts, interest and the administrative costs of collection will be added to the principal amount of the debt.

(c) The rate of interest charged by VA shall be based on the rate established annually by the Secretary of the Treasury in accordance with 31 U.S.C. 3717 and shall be adjusted annually by VA on the first day of the calendar year. Once the rate of interest has been determined for a particular debt, the rate shall remain in effect throughout the duration of repayment of that debt. When a debtor defaults on a repayment agreement and seeks to enter into a new agreement, VA may require payment of interest at a new rate that reflects the current value of funds to the Treasury at the time the new agreement is executed. Interest shall not be compounded, that is, interest shall not be charged on accrued interest and administrative costs required by this section. If, however, a debtor defaults on a previous repayment agreement, interest and administrative costs that accrued but were not collected under the defaulted agreement shall be added to the principal under the new agreement.

(d) Interest on amounts covered by this section shall accrue from the date the initial notice of the debt is mailed to the debtor. Notification shall be considered sufficient when effected by ordinary mail, addressed to the last known address, and such notice is not returned as undeliverable by postal authorities.

(e) Interest under this section shall not be charged if the debt is paid in full within 30 days of mailing of the initial notice described in paragraph (b) of this section. Once interest begins to accrue, and after expiration of the time period for payment of the debt in full
